

WHAT DOES SOCCER LEGEND **LOTHAR MATTHÄUS** SAY ABOUT BLITZbee

LOTHAR MATTHÄUS

4 x World football champion, former Captain of the German National Football Team, a true legend of FC Bayern Munich and SKY SPORTS tv-host. One of the most outstanding soccer players of all time, known for his tenacity, charisma, and excellent tactical instincts.

"A natural lemonade with a high caffeine content from coffee beans – easier to digest and gentler on the body than synthetic caffeine.

It helps maintain concentration, stamina and performance throughout the day – with a steady effect and no sudden energy slumps. Honey, citrus fruits and spring water combine to create a refreshing blend that enhances the invigorating effect and provides new energy – without overstimulation."

"For everyone who expects consistency including excellent taste. A clear, excellent, well-thought-out composition that supports concentration and helps you stay fully present – exactly when you need it."

***BLITZbee is much more than
just a drink. It's the people.***

Your sincerely
